

Gods System Is Greater Than The World System

By David Hopkins

Meditating and confessing targeted scriptures about the word of God over your life to internalize them to help yourself believe it is the key to understanding all the wonderful gifts God has given you.

I will say of the Lord He is my refuge...Psalms 91:2

I will call upon the Lord who is worthy to be praised...Psalms 18:3

And when you understand how much He's already done for you even to the point where you accept and believe, it's almost unbelievable.

That's in view of the world who has instructed us on what's needed to move ahead in the world system based on our own heritage, wealth, skill, ability, knowledge, favoritism, connections or talents.

But under God's system, which is a completely separate system that goes against the world system and cannot work in conjunction with that system,

you need to motivate yourself to believe what God says and inspired men to say in the Bible.

And the Bible says that God loves you and has already provided every superb provision for any person willing to work to believe it and thereby receive it by faith which He already provided by grace.

He made it so you can enjoy life to the fullest without condemnation of sin and still land in heaven when you die.

The world system is gruelling and grievous in comparison, this is where you'll constitute questionable decisions or burn yourself out working long hours and kissing up to succeed, stressing people out and having an attitude all the time.

Also, choosing favorites, judging and vice versa based on whatever popular opinion determined world biases meant to divide the people against God.

Combined with unnecessary fear tactics and lies meant to control you so you can suffer and carry out what you're told without questioning evil, God hating authority figures who have infiltrated all aspects of society.

Arrogant and ungrateful people who credit themselves for success, put down others, and desire for you to achieve the same in an untrustworthy alliance orchestrated by the devils distortion of reality.

Yet God's system only requires faith and belief in God's unmerited love for you and His ability to supply all your needs which He already did anyway and is waiting on you to receive it all.

God is considerate of all your needs, desires and also your family and friends.

He even cares for the unbelievers regardless of there unrighteous unbelief.

But the Bible says that you are the righteousness of God by faith in Jesus Christ.
